Pursuant to NMSA 1978, § 5-11-20.C (2013) the maximum annual amount of the Special Levy that may be imposed on each class of property in the District is identified in the Rate and Method of Apportionment of Special Levy (the "RMA"), which is attached hereto as Exhibit B and is hereby incorporated into and made a part of this Notice.

The Special Levy will be apportioned according to typical lot width and the amount of the annual Special Levy imposed would not exceed (a) \$2,360 per year for any lot designated greater than or equal to 65' in typical width, (b) \$2,100 per year for any lot designated 60' in typical width, (c) \$1,900 per year for any lot designated equal to or less than 50' in typical width. The levy classification and corresponding maximum annual Special Levy amount applicable to each lot is shown on *Exhibit A* to the RMA.

In each year in which the Special Levy is imposed, the District will reapportion the Special Levy to the legal parcels established within the District and existing as of the time of reapportionment in accordance with the RMA. The Special Levy shall be imposed during each year in which special levy bonds, subordinated promissory notes, and/or any other obligations of the District are outstanding (collectively the "District Obligations") or as otherwise necessary to fund the Special Levy Requirement (as defined in the RMA), and the Special Levy will be allocated to real property within the District in accordance with the following steps¹:

3. Third, if additional monies are needed to fund the Special Levy Requirement after the second step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy.

As provided in NMSA 1978, § 5-11-20.1 (2013), the Special Levy constitutes a lien on property located within the District, having a priority coequal to the lien of property taxes. The

b. Within 60 days after identifying delinquencies in payment of the Special Levy in each year in which the Special Levy is in effect, the District shall provide written notice of delinquency ("Notice") to the owners of any parcel determined to be delinquent, which Notice shall state (1) the amount of the delinquency as of the date of the Notice applicable to the parcel, (2) that the delinquency, including applicable interest and penalties, must be cured within 180 days following the date of the Notice (the "Notice Date"), and (3) if the delinquency is not cured within that 180-day period, the District or its designee shall have the power to commence foreclosure proceedings with respect to the real property to which the delinquency applies.

(ii) Any delinquent special levy shall be subject to foreclosure in the manner provided by law for the foreclosure of mortgages on real estate, except as otherwise provided herein.

(iii) In any action seeking the foreclosure of a special levy lien after District Obligations have been issued, if there is no other purchaser for the tract of land having a delinquent special levy, the District or other trustee of the funds from which District Obligations are to be paid, may:

a. Purchase the tract or parcel sold at the foreclosure sale.

b. Bid, in lieu of cash, the amount of the special levies, interest, penalties, attorneys' fees, and costs found by the court to be due and payable under the resolution

(iv) No real property shall be sold to satisfy a delinquent levy until at least fifteen days after the date of the order, judgment or decree of the court, within which time the owner of the tract or parcel of land may pay off the decree and avoid the sale.

(v) After the expiration of the fifteen-day period, the property may be sold at a public or private sale subject to the right of redemption.

(vi) Any property sold under any order, judgment, or decree of court to satisfy the special levy lien may be redeemed at any time within one year of the date of sale by the owner or mortgage holder or other person having an interest, or their assigns, by repaying to the purchaser or his/her assign the amount paid plus interest from the date of purchase at the lesser of twelve percent per year or the maximum legal rate.

(vii) The proceeds of the sale of the foreclosed tract or parcel of land at either a public or private sale shall be applied as follows:

a. First, to the payment of costs in giving notice of the sale and of conducting the sale;

b. Second, to costs and fees taxed against the tract or parcel of land in the foreclosure proceedings;

c. Third, on a pro rata basis, to the indebtedness claimed under the special levy lien and any other lien on the property that has a priority co-equal to the special levy lien; and

d. Fourth, after all costs, liens, levies, assessments, and taxes are paid to the former owner, mortgage holder or other parties having an interest in the tract or parcel, upon the foregoing person's providing satisfactory proof to the court of the interest and upon approval of the court.

(viii) Receipts for the satisfaction of the indebtedness claimed under the special levy lien shall be paid into the proper District fund for payment of the principal of and interest on the District Obligations.

(ix) No public rights of way or public property shall be subject to foreclosure by the District.

Prior to the recordation of the Final Plat, the Maximum Annual Special Levy for a Parcel of Levyable Property shall be determined by multiplying the expected number and classification of Dwelling Units for such Parcel, as determined from Appendix A, by the corresponding Maximum Annual Special Levy amounts set forth in Table 1 on the following page.

Table 1: Maximum Annual Special Levy

TOTAL	330	NA

2. Revision to Maximum Annual Special Levy or Prepayment Required Due to Reduction in Total Maximum Annual Special Levies

If at any time after Indebtedness has been issued and/or incurred the District Board or the Administrator determines that there has been or will be a reduction in the Total Maximum Annual Special Levies for the District as a result of an amendment to Appendix A, or other event, which reduces the Total Maximum Annual Special Levies such that the annual debt service coverage ratio on any issued and outstanding Indebtedness is less than that specified in the Indenture, then at the discretion of the District Board, only in compliance with the Act, either (i) if permitted by law, the Maximum Annual Special Levy for the Parcel(s) for which such a reduction has or will occur shall be revised pursuant to C.1.a below to compensate for the reduction or (ii) a prepayment shall be made pursuant to C.1.b below. Each year's annual debt service coverage ratio, if applicable, shall be determined in accordance with the Indenture.

a. Adjusted Maximum Annual Special Levy

If the District Board determines that the Maximum Annual Special Levy for the District shall be increased to compensate for the reduction, the then applicable Maximum Annual Special Levy for the subject Parcels

shall be increased by multiplying such Maximum Annual Special Levy by a quotient the numerator of which is equal to the sum of (i) the then applicable Maximum Annual Special Levies for the subject Parcels and (ii) the amount by which the Maximum Annual Special Levies for the District is less than the sum of the estimated Administrative Expenses and the required debt service coverage ratio multiplied by the annual payments on the outstanding Indebtedness and the denominator of which is equal to the then applicable Maximum Special Levies for the subject Parcels, taking into consideration the changes resulting in the reduction. The District Board shall take such steps as appropriate to record notice of any such change.

b. Prepayment of Reduction

If the District Board determines that the reduction in the Maximum Annual Special Levies shall be prepaid, such prepayment amount shall be computed pursuant to Section H, with the following modifications:

- The difference between the Maximum Annual Special Levies required to satisfy the debt service coverage requirements set forth in the Indenture and the amount to which the Maximum Annual Special Levies have been reduced shall serve be substituted for the term Maximum Annual Special Levy when computing the Prepaid Special Levy.

3. Appendix A Amendments

Appendix A may be amended pursuant to an executed certificate, the form of which is attached as Appendix B. Any amendment to Appendix A approved by the District Board shall be recorded with the County Clerk.

D. APPORTIONMENT OF ANNUAL SPECIAL LEVY

Commencing with Fiscal Year 2018-2019 and for each following Fiscal Year, the District Board shall apportion the Annual Special Levy to each Parcel of Levyable Property in equal percentages until the Annual Special Levies equal the Special Levy Requirement, provided the Annual Special Levy for any Residential Lot does not exceed its Maximum Annual Special Levy, in accordance with the following steps:

First: The Annual Special Levy shall be collected from each Parcel of Developed Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy;

Second: If additional monies are needed to fund the Special Levy Requirement after the first step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy; and

Third: If additional monies are needed to fund the Special Levy Requirement after the second step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy.

Equal percentages means the Annual Special Levy for each Parcel of Developed Platted Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Developed Platted Property; the Annual Special Levy for each Parcel of Undeveloped Platted Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Undeveloped Platted Property; and the Annual Special Levy for each Parcel of Undeveloped Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Undeveloped Property.

E. MANNER OF COLLECTION

The Annual Special Levy shall constitute a lien on the property subject thereto which shall have priority co-equal to the lien of general ad valorem property taxes. The Annual Special Levy will be billed by the County in the same manner and at the same time as general ad valorem property taxes and will appear as a separate item on the property tax bill for real property within the District as that property is identified on the tax roll on January 1 of each year in which the Annual Special Levy is in effect. As provided in the Act, the District has established foreclosure remedies which shall apply following nonpayment of the Annual Special Levy, which are referred to in the Notice of Imposition of Special Levy. Under those procedures, the Annual Special Levy is subject to foreclosure by the District beginning six months after written notice of delinquency is provided to the owner of the real property to which the delinquency applies. The lien of the Annual Special Levy includes delinquencies, penalties and interest thereon at a rate not to exceed the maximum legal rate of interest per year and penalties otherwise applicable.

F. TERM

The special levy will remain in place until all Indebtedness of the District is fully repaid.

G. EXEMPTIONS

Property exempt from the Annual Special Levy consists of (i) Association Property and (ii) Public Property.

The Annual Special Levy shall be imposed on all property identified by the County as being subject to the Disabled Veteran Exemption but, assuming the Disabled Veteran Exemption has been lawfully enacted by the New Mexico Legislature and the applicable disabled veteran property owner or the surviving spouse of the disabled veteran property owner is actually entitled to receive such exemption, the District shall not seek to collect the Annual Special Levy in such Fiscal Year.

H. PREPAYMENT

The Maximum Annual Special Levy for the current and all remaining Fiscal Years through the final term of the Special Levy for any Parcel may be prepaid in full or in part and the obligation of the Parcel to pay that portion of the Maximum Annual Special Levy that has been prepaid permanently satisfied as described herein, provided that a prepayment may be made only if there are no outstanding delinquent Annual Special Levies with respect to such Parcel and all other Parcels under the same ownership at the time of prepayment. An owner of a Parcel intending to prepay the Maximum Annual Special Levy shall provide the District Board with written notice of intent to prepay in full the Maximum Annual Special Levy. Within 30 days of receipt of such written notice, the District Board or its designee shall notify such owner of the prepayment amount necessary to permanently satisfy the obligation to pay the Special Levy for such Parcel (the "Prepayment") and the date through which such prepayment shall be valid.

A Prepayment means an amount equal to (a) the sum of (1) Prepaid Special Levy, (2) Prepaid Administrative Expenses, (3) Premium, (4) Defeasance, and (5) Fees minus (b) the sum of (1) the Reserve Fund Credit and (2) the Capitalized Interest Credit, if provided for in the Indenture, where the terms "Prepaid Special Levy," "Prepaid Administrative Expenses", "Premium," "Defeasance," "Fees," "Reserve Fund Credit," and "Capitalized Interest Credit" have the following meanings:

"Prepaid Special Levy" equals the present value of the current and remaining Maximum Annual Special Levy upon the Parcel for which the prepayment is to be made excluding that portion of such Maximum Annual Special Levy required to pay current and estimated future Administrative Expenses, as determined by the District Board or its designee. The present value shall be computed using as the discount rate the current yield on the outstanding Indebtedness; if the Maximum Annual Special Levy for the Parcel is pledged toward the repayment of more than one series or tranches of bonds, notes, and/or other obligations, then the aggregate yield for such Indebtedness shall be employed. The yield on such Indebtedness shall be the discount rate which, when used to determine the present value of the remaining payments on said Indebtedness, results in an amount equal to the outstanding principal amount of such Indebtedness.

"Prepaid Administrative Expenses" equals the portion of the applicable Parcel's current and future Maximum Annual Special Levies estimated to be needed to pay for current and future Administrative Expenses, as determined by the District Board or its designee.

"Premium" means an amount equal to the Prepaid Special Levy multiplied by the applicable redemption premium, if any, for any Indebtedness so redeemed with the proceeds of any such prepayment.

"Defeasance" means the amount needed to pay interest on any Indebtedness to be redeemed until the earliest redemption date for the outstanding Indebtedness less any Annual Special Levies heretofore paid for such Parcel and available to pay interest on the redemption date for the Indebtedness.

"Fees" equal the expenses of the District associated with the Prepayment as calculated by the District Board or its designee and include, but are not limited to, the costs of computing the Prepayment, the costs of amending any Annual Special Levy previously enrolled with the County, the costs of redeeming the Indebtedness, and the costs of recording and publishing any notices to evidence the prepayment of the Maximum Annual Special Levy and the redemption of Indebtedness.

"Reserve Fund Credit" shall equal the lesser of (i) the Reserve Fund Requirement (as such term is defined in the Indenture) multiplied by a fraction the numerator of which is equal to the Prepaid Special Levy and denominator of which is equal to the outstanding Indebtedness or (ii) an amount determined by subtracting the Reserve Requirement in effect after the redemption and/or retirement of the Indebtedness from the balance in the Reserve Fund (as such term is defined in the Indenture) on the prepayment calculation date, provided that the amount determined is not less than zero.

"Capitalized Interest Credit" shall equal the reduction in interest payable on the Indebtedness from the redemption date for the Indebtedness to be redeemed and/or retired from proceeds of the Prepaid Special Levy to the end of the capitalized interest period, as determined by the District Board or its designee. No capitalized interest credit is given if the redemption and/or retirement date for the Indebtedness redeemed and/or retired from the Prepayment is after the capitalized interest period.

The sum of the amounts calculated in the preceding steps shall be paid to the District and shall be used to (a) pay interest and principal on Indebtedness to the date of redemption and/or retirement, (b) redeem and/or retire indebtedness in accordance with the Indenture, (c) pay or reimburse the cost of public improvements, (d) pay Fees associated with the Prepayment, and (e) pay future Administrative Expenses. Upon the receipt of the Prepayment by the District and the deposit of such funds with the Trustee, the obligation to pay the Maximum Annual Special Levy for such Parcel shall be deemed to be permanently satisfied, the Maximum Annual Special Levy shall not be levied thereafter on such Parcel, and the Administrator shall cause a notice of cancellation of the Maximum Annual Special Levy for such Parcel to be recorded.

Notwithstanding the foregoing, no Prepayment shall be allowed unless the amount of Maximum Annual Special Levies that may be collected after the proposed prepayment is at least the sum of (i) the estimated annual Administrative Expenses associated with and/or allocable to the Special Levy Requirement taking into consideration the Prepaid Administrative Expenses and (ii) the required annual debt service coverage ratio set forth in the Indenture on any issued and outstanding Indebtedness multiplied by the annual payments on such Indebtedness, taking into account the amount of Indebtedness to remain outstanding after such prepayment.

I. AMENDMENTS

This Rate and Method of Apportionment of Special Levy may be amended pursuant to and to the extent permitted by the Act. The District Board may make clarifications

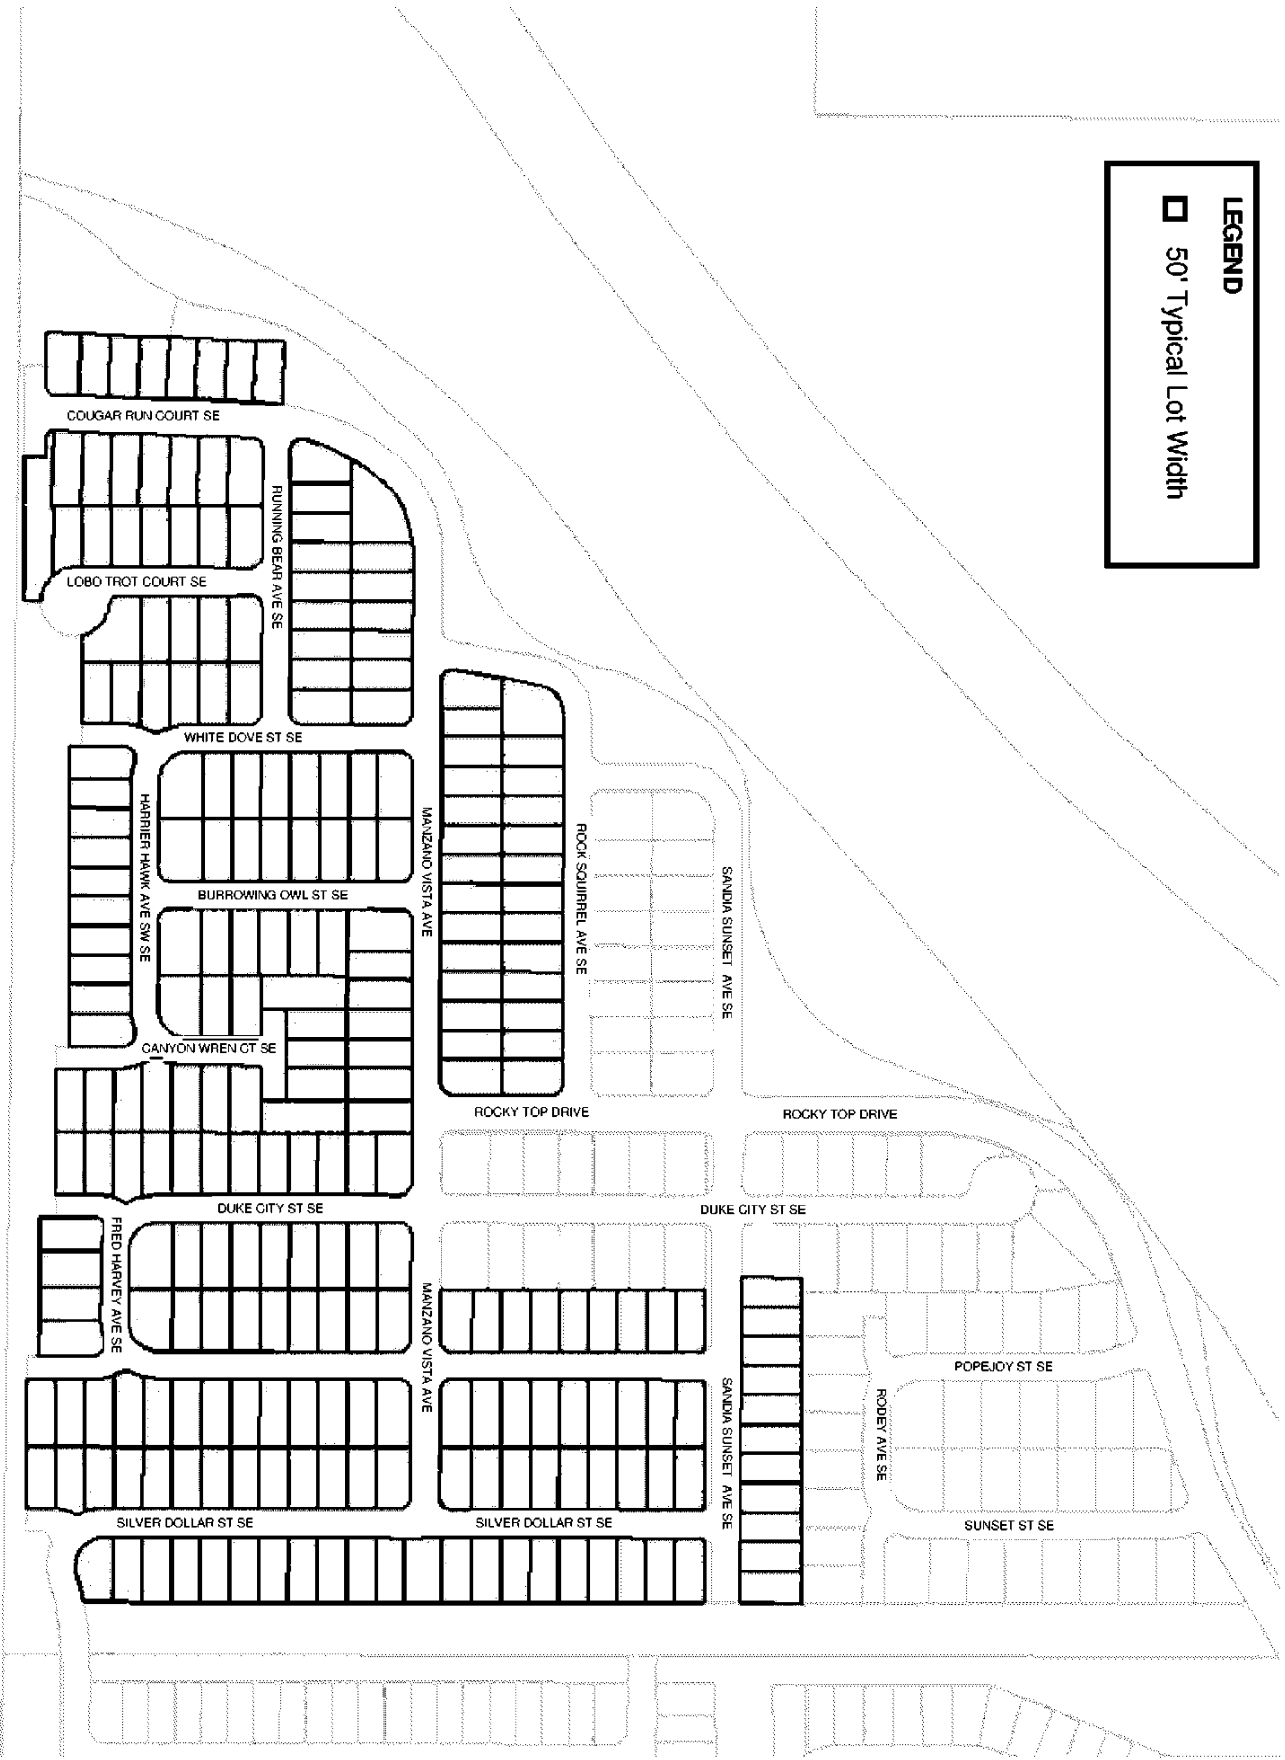

with respect to this Rate and Method of Apportionment of Special Levy without further notice under the Act and without notice to owners of property within the District in order to (i) clarify or correct minor inconsistencies in the matters set forth herein, (ii) provide for lawful procedures for the collection and enforcement of the Annual Special Levy so as to ensure the efficient collection of the Annual Special Levy for the benefit of the owners of the Indebtedness and the District, respectively, and/or (iii) provide for such other changes that are within the parameters set forth in the City's public improvement district formation resolution forming the District. The District Board may amend this Rate and Method of Apportionment of Special Levy in connection with an amended Juan Tabo Hills Estates Public Improvement District General Plan without further notice under the Act and without notice to owners of Levyable Property in order to specify the amended Maximum Annual Special Levy for any Levyable Property that is the subject of the amended General Plan.

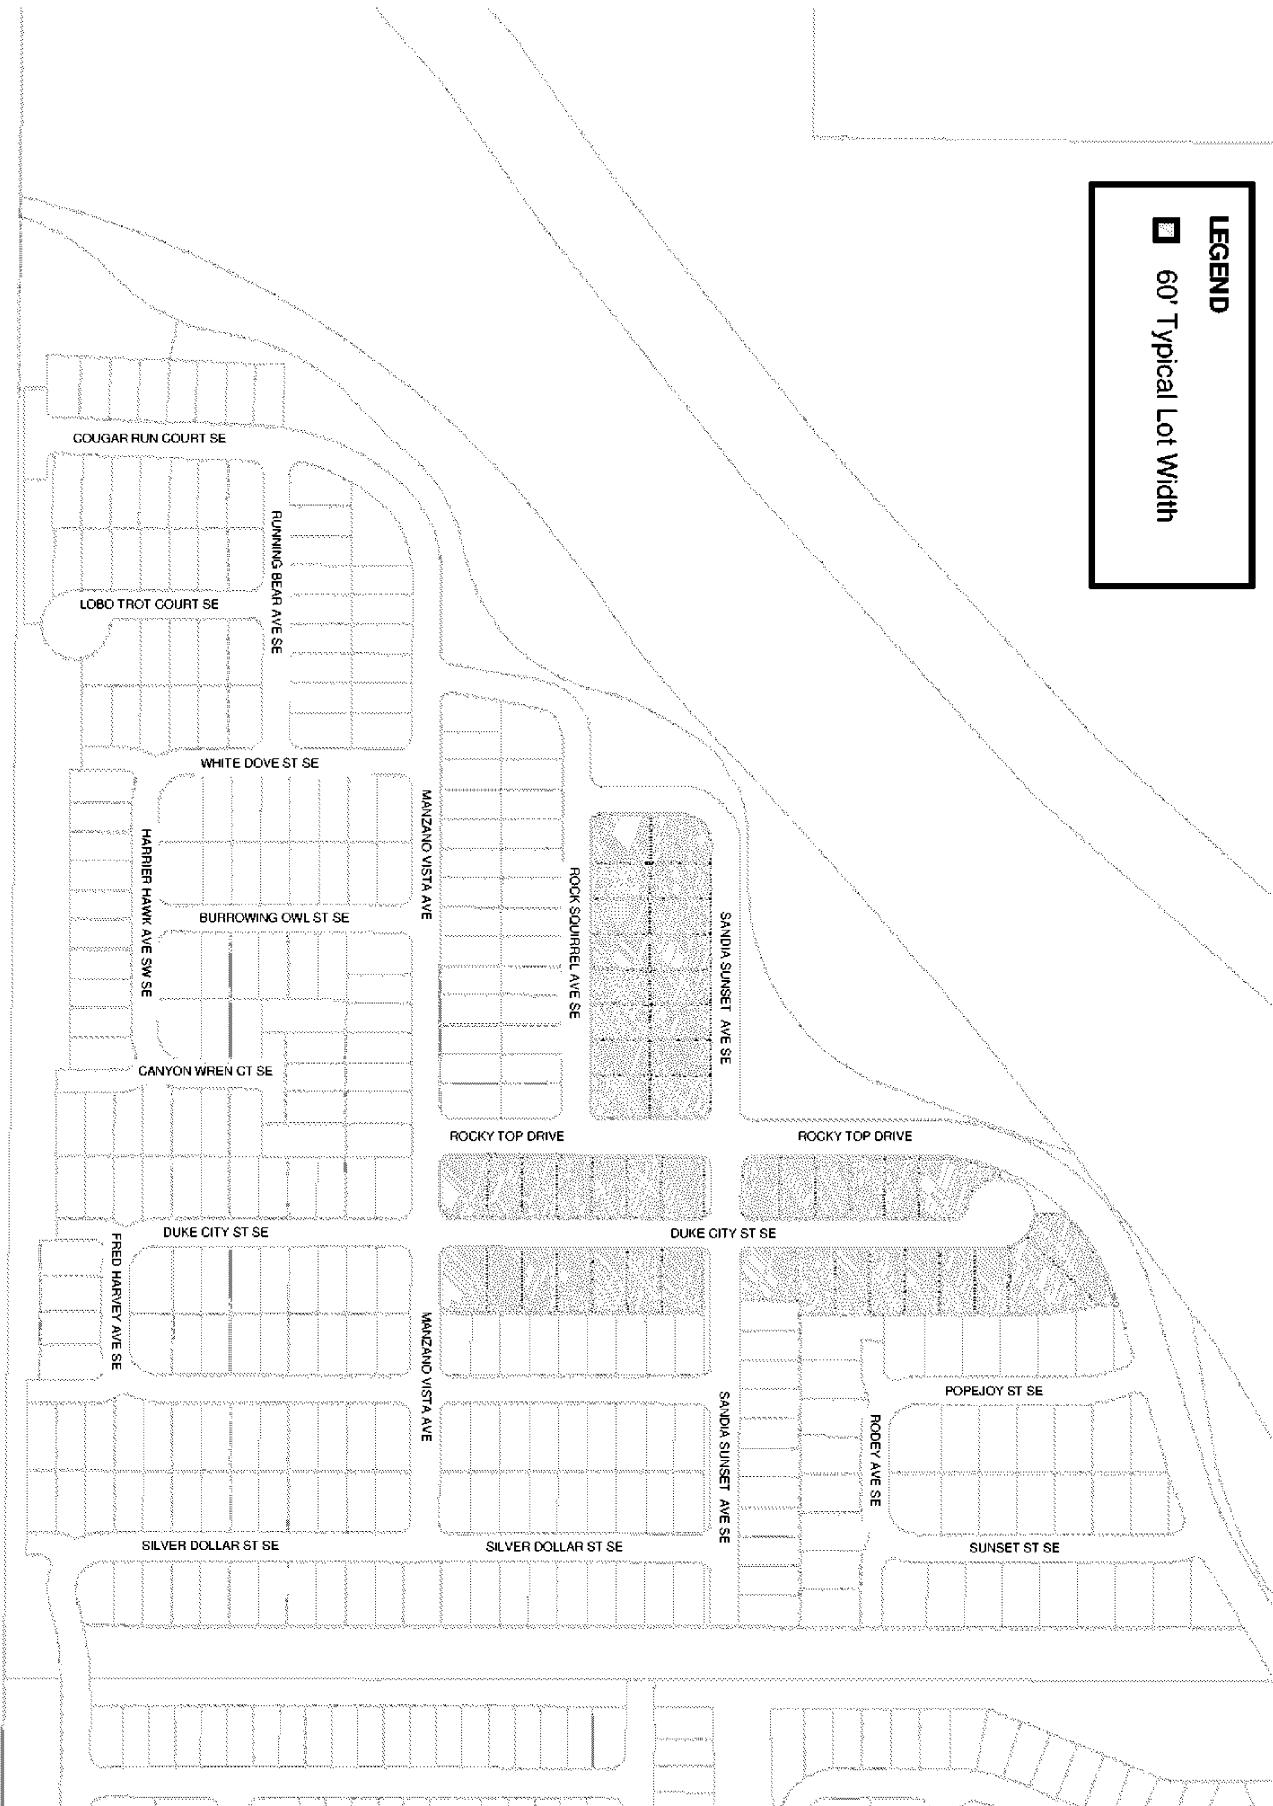

No amendment shall be approved by the District Board if it violates any other agreement binding upon the District and unless and until it has (i) found and determined that the amendment is necessary and appropriate and does not materially adversely affect the rights of the owners of the Indebtedness or the District Board has obtained the consent of one hundred percent (100.00%) of the owners of the Indebtedness and (ii) received an opinion from bond counsel to the effect that the amendment does not violate the Act, and is authorized pursuant to the terms of the Indenture and this Rate and Method of Apportionment of Special Levy.
